compensation for professional services rendered to the Debtors in the amount of \$975,235.60² incurred during the period from February 1, 2022 through and including April 30, 2022 (the “**Compensation Period**”), and reimbursement of disbursements incurred during that same period in the amount of \$2,279.04.

BACKGROUND

A. The Chapter 11 Cases

1. On or about the Petition Date, the Debtors filed voluntary cases under chapter 11 of the Bankruptcy Code. The Debtors’ chapter 11 cases have been consolidated for procedural purposes only and are being jointly administered pursuant to Rule 1015(b) of the Bankruptcy Rules. The Debtors are authorized to operate their businesses and manage their properties as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

2. On September 27, 2019, the United States Trustee for the Southern District of New York (the “**U.S. Trustee**”) appointed the Official Committee of Unsecured Creditors (the “**UCC**”) pursuant to section 1102 of the Bankruptcy Code [Docket No. 131].

3. On April 8, 2020, the Court entered the Order authorizing the appointment of an independent fee examiner (the “**Fee Examiner**”) [Docket No. 1023]

4. On September 17, 2021, after a multi-day hearing, the bankruptcy court confirmed the Debtors’ plan of reorganization. The plan was the result of years of negotiation between the Debtors and various creditor groups and followed an intense mediation by Hon.

² This amount reflects a voluntary discount for aggregate fees in the amount of \$118,383.40 as described in *Dechert LLP’s Second Notice of Increase in Hourly Rates for Litigation Services* [Docket No. 4628] (the “**Notice of Increased Litigation Fees**”) and *Dechert LLP’s Second Notice of Increase in Hourly Rates for Patent Services* [Docket No. 2342] (the “**Notice of Increased Patent Fees**”).

Shelley C. Chapman who conducted 145 telephone meetings and in-person sessions to resolve both monetary and non-monetary terms.

5. Following the confirmation, the U.S. Trustee and certain creditors appealed the case to the district court, which, in turn, granted Debtors' motion for an expedited appeal. On December 16, 2021, the district court issued a 142-page decision vacating the bankruptcy court's confirmation order. Over the objections of certain creditors, the district court subsequently certified its order for interlocutory appeal to the Second Circuit, which accepted the appeal on an expedited basis. Following an additional round of mediation, the bankruptcy court approved a settlement with the appealing states.

B. The Debtors' Business

6. The Debtors are pharmaceutical companies that manufactured, sold, or distributed, among other products, extended release, long-acting, abuse-deterrent opioid pain medications.

7. Additional information about the Debtors' businesses and the events leading up to the Petition Date can be found in the *Debtors' Informational Brief* [Docket No. 17] filed on September 16, 2019.

JURISDICTION

8. The Court has subject matter jurisdiction to consider and determine this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before this court pursuant to 28 U.S.C. §§ 1408 and 1409.

RELIEF REQUESTED

9. The statutory predicates for the relief requested herein are sections 330 and 331 of the Bankruptcy Code, Rule 2016 of the Bankruptcy Rules, and rule 2016-1 of the

Local Rules for the United States Bankruptcy Court for the Southern District of New York (the “**Local Rules**”). By this Application, Dechert respectfully seeks Court approval and allowance of reasonable compensation for professional services rendered to the Debtors during the Compensation Period in the aggregate amount of \$975,235.60 and for reimbursement of actual and necessary expenses incurred in connection with the rendition of such services in the amount of \$2,279.04.

BASIS FOR RELIEF

A. Dechert’s Retention

10. On November 5, 2019, the Debtors filed their Application of the Debtors Pursuant to Sections 327(e) and 328(a) of the Bankruptcy Code and Rule 2014 of the Federal Rules of Bankruptcy Procedure for Authorization to Employ and Retain Dechert LLP, as Special Counsel to the Debtors, *Nunc Pro Tunc* to the Petition Date [Docket No. 424]. The Court entered the Retention Order on November 21, 2019. [Docket No. 525; Exhibit A hereto].

11. The Order Granting Motion Establishing Procedures for Interim Monthly Compensation and Reimbursement of Expenses of Professionals [Docket No. 529] (the “**Interim Compensation Order**”), entered by the court on November 21, 2019, outlines the procedures that all professionals must follow in order to receive compensation and reimbursement of expenses for services provided to the Debtors.

12. Dechert is a full service law firm with well-developed practices in the areas of product liability and mass torts, business restructuring and reorganization, corporate and securities, complex commercial litigation, finance and real estate and financial services.

B. Compensation

13. This Application is Dechert LLP’s sixth application for interim

compensation and reimbursement of expenses as special counsel in these chapter 11 cases.

14. Pursuant to the Interim Compensation Order, during the Compensation Period, Dechert filed four (4) fee statements (the “**Monthly Fee Statements**”) with the Court as follows:

- a. On April 19, 2022, Dechert filed its Thirtieth Monthly Fee Statement for the Period from February 1, 2022 Through February 28, 2022 [ECF No. 4673] (the “**February Fee Statement**”). The February Fee Statement reflected fees in the amount of \$346,371.16 and expenses incurred in the amount of \$1,864.65.
- b. On May 10, 2022, Dechert filed its Thirty-First Monthly Fee Statement for the Period from March 1, 2022 through March 31, 2022 [ECF No. 4759] (the “**March Fee Statement**”). The March Fee Statement reflected fees in the amount of \$361,687.74 and expenses incurred in the amount of \$314.89.
- c. On May 11, 2022, Dechert filed its Thirty-Second Monthly Fee Statement for the Period from April 1, 2022 through April 30, 2022 [ECF No. 4763] (the “**April Fee Statement**”). The April Fee Statement reflected fees in the amount of \$267,176.70 and expenses incurred in the amount of \$99.50.

15. In total, therefore, Dechert has submitted Monthly Fee Statements during the Compensation Period for fees of \$975,235.60 and expenses of \$2,279.04. As of the date of this Application, no party-in-interest has objected to Dechert’s February, March, or April Fee Statements. At the time of filing this Application, the deadlines to object to the March and April Fee Statements have not yet passed.

16. By this Application Dechert seeks compensation for the fair and reasonable fees and expenses incurred by Dechert to the estates of the Debtors during the Compensation Period. The compensation requested herein is based on discounted regular hourly rates consistent with discounted rates provided for complex mass tort cases generating similar volume of legal fees and reflects the time, labor, and expertise brought to bear on the problems

presented, and is either in line with, or lower than the rates charged by similar firms operating in a competitive market for legal services of the type involved in this case.

17. This Application does not detail every correspondence, drafting session, meeting, discussion, or conference held, all research conducted, or each of the numerous tasks performed by Dechert. Those matters are set forth in detail in the contemporaneous time records filed with Dechert's Monthly Fee Statements and are incorporated herein by reference. In addition, detail for expenses that were incurred by Dechert during the Compensation Period were included in Dechert's Monthly Fee Statements and are incorporated herein by reference. All such expenses are reflected in the books and records of Dechert, which are contemporaneously maintained in the ordinary course of its business.

18. The professional services for which compensation is sought were rendered in the ordinary course of the Debtors' business and solely on behalf of the Debtors.

19. By this Application, Dechert seeks allowance in full of interim compensation for professional services rendered to the Debtors during the Compensation Period, in the aggregate amount of \$975,235.60 and for reimbursement of actual, necessary expenses incurred in connection with such services in the amount of \$2,279.04. During the Compensation Period, Dechert attorneys and paraprofessionals expended a total of 1,030.5 hours for which compensation is requested.

C. Applicable Authority

20. Dechert LLP prepared this Application in accordance with: (a) the Administrative Order Re: Amended Guidelines for Fees and Disbursements of Professionals in Southern District of New York Bankruptcy Cases, adopted by the Court on January 25, 2013 and effective as of February 5, 2013 (the "**Local Guidelines**"); (b) the United States Trustee

Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330, adopted on May 17, 1996 and June 11, 2013 (the “**UST Guidelines**”, and together with the Local Guidelines and the Interim Compensation Order, the “**Guidelines**”); and (c) the Interim Compensation Order. Pursuant to the Local Guidelines, a certification regarding compliance with the Guidelines is annexed hereto as Exhibit B.

**SUMMARY OF PROFESSIONAL COMPENSATION
AND REIMBURSEMENT OF EXPENSES REQUESTED**

21. Dechert believes that the fair and reasonable (and discounted) value of its professional services rendered during the Compensation Period is \$975,235.60. Based upon the total attorneys’ and paraprofessionals’ time expended, and a resulting blended hourly rate of \$1,048.07 for professionals, Dechert believes the compensation requested herein to be reasonable and appropriate.

22. Dechert also seeks reimbursement of its actual, reasonable, and necessary out-of-pocket expenses in the aggregate amount of \$2,279.04. These expenses were incurred during the course of rendering professional services on behalf of the Debtors during the Compensation Period.

23. Dechert has utilized its existing hourly rate structure and has calculated its request for compensation by multiplying the hours of time spent on services rendered on behalf of the Debtors by the discounted hourly rate assigned to each attorney or paraprofessional rendering such services. Dechert respectfully submits that the fees sought herein are less than customary and based on its normal criteria in matters of this type and are discounted from the fees that Dechert has been allowed in other chapter 11 cases, including in this District.

24. Pursuant to the UST Guidelines, annexed hereto as Exhibit C is the summary sheet required by the Local Guidelines, which includes a schedule setting forth the names of all Dechert professionals and paraprofessionals who have performed services for which compensation is sought, the person's position in the firm and department, and the date of bar admission for each attorney. In addition, the schedule sets forth for each person (a) the hourly rate(s) during the Compensation Period; (b) the total hours billed for which compensation is sought; and (c) the total compensation for such hours.

25. Pursuant to the UST Guidelines, annexed hereto as Exhibit D is a summary by project category of the services performed by Dechert during the Compensation Period

26. Annexed hereto as Exhibit E is a schedule specifying the categories of expenses for which Dechert is seeking reimbursement and the total amount of reimbursement requested for each such expense category.

SERVICES RENDERED BY DECHERT

27. Dechert's lawyers have a longstanding relationship with the Debtors and were retained to continue to provide the litigation services the firm has provided to the Debtors over the 26 months preceding the Petition Date (as more fully described below, the "**Dechert Litigation Services**" or "**Litigation Services**"). Dechert's lawyers are and have been in charge of national coordination of nearly 2,900 civil actions, including cases filed by the Attorneys General of almost every state and territory, pending in various state and federal courts across the United States and its territories. 56. In accordance with the requirements of the Bankruptcy Code, the Bankruptcy Rules, and the Guidelines, Dechert maintains the following policies with respect to expenses for which reimbursement is sought:

- a. Internal Duplicating - Charged at \$0.10 per page, based upon the cost of duplicating services, which varies due to volume;
- b. Outside Duplicating - Outside duplicating by third parties is charged at the actual cost billed to Dechert;
- d. Computer Research Charges - Westlaw and Lexis legal research is charged according to an equation based on the flat fee charged to Dechert (approximately 50% of the estimated cost for hourly rate for Lexis; approximately 70% of the estimated cost for hourly rate for Westlaw);
- g. Delivery Services - Dechert’s practice is to charge postal, overnight delivery, and courier services at actual cost;
- i. Meals - In accordance with the Guidelines, meals charged to the Debtors were either associated with (i) out-of-town travel and are limited to \$40 per person; or (ii) attorneys working at least two hours beyond their normal workday on matters concerning the chapter 11 cases and are limited to \$20 per person.

**AUTHORITY FOR
ALLOWANCE OF COMPENSATION**

57. Bankruptcy Code section 331 allows a bankruptcy court to authorize interim compensation for “[a] trustee, an examiner, a debtor’s attorney, or any professional person employed under section 327 or 1103 of this title... not more than once every 120 days after an order for relief in a case under this title....”

58. Section 330 of the Bankruptcy Code authorizes the bankruptcy court to award a trustee, examiner, ombudsman or professional employed pursuant to 11 U.S.C. § 327 reasonable compensation for services and reimbursement of expenses. Specifically, section 330 of the Bankruptcy Code provides that:

(a)(1) After notice to the parties in interest and the United States Trustee and a hearing, and subject to sections 326, 328 and 329, the court may award to . . . a professional person employed under section 327 or 1103 –

(A) reasonable compensation for actual, necessary services rendered by . . . professional person, or attorney and by any paraprofessional person employed by any such person; and

(B) reimbursement for actual necessary expenses. . . .

(3) In determining the amount of reasonable compensation to be awarded, the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including–

- A. the time spent on such services;
- B. the rates charged for such services;
- C. whether the services were necessary to the administration of, or beneficial at the time at which the services were rendered toward the completion of, a case under this title;
- D. whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and

- E. whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in case other than cases under this title.

59. As set forth below, under the standards set forth in Bankruptcy Code section 330(a), Dechert's representation of the Debtors warrants payment of its fees and reimbursement of its expenses.

- a. Time and labor required: As stated above, Dechert has expended 1,030.5 hours in its representation of the Debtors during the Compensation Period, with a blended average billable rate of \$1,048.07 per hour for all timekeepers. All of the time spent by Dechert in these cases was necessary and appropriate and benefited the Debtors, their estates, their creditors, and other parties-in-interest. Dechert submits that it has represented the Debtors in an efficient, timely, and cost-effective manner.
- b. Novelty and difficulty of questions presented: The issues attended to by Dechert in connection with these cases were novel, complex, and difficult, requiring thorough attention and substantial firm resources.
- c. Skill required to perform legal services properly: The experience, knowledge, and expertise of the various Dechert professionals and paraprofessionals representing the Debtors in these cases have facilitated and expedited the results achieved. Providing mass tort products liability litigation advice to large debtors is a specialized practice that requires attorneys, such as the Dechert attorneys involved in this matter, with substantial expertise in various areas of the law.
- d. Preclusion of other employment: Dechert's representation of the Debtors in these cases took time and effort that was not therefore available to provide comparable services to other current or potential clients.
- e. Customary fee paid for such legal services: The hourly rates charged by Dechert for the services performed in these cases are discounted from the hourly rates regularly charged by Dechert in other similar matters and representations, and Dechert submits that they are discounted to the customary charges of other professionals and paraprofessionals with similar degrees of skill and expertise.
- f. Experience, reputation, and ability of attorney: Dechert believes that its professionals who performed services for the Debtors have an excellent reputation for their skill, quality, integrity, and ability in bankruptcy and other matters. Dechert's professionals have significant experience in

matters of this nature and regularly represent companies similar to the Debtors in various matters in and out of bankruptcy.

- g. Allowance in similar cases: Dechert asserts that the fees and expenses for which it seeks compensation and reimbursement are lower than the compensation sought and allowed in similar cases for similar services rendered and results obtained by Dechert and by its peer law firms.

BUDGET AND STAFFING PLAN

60. In accordance with the Retention Order and the Interim Compensation Order, attached hereto as Exhibit F are the budget and staffing plan that Dechert provided to the Debtors for the Compensation Period.

QUESTIONS REQUIRED BY U.S. TRUSTEE GUIDELINES

61. Dechert responds to the questions presented by the U.S. Trustee Guidelines Appendix B as follows:

Question: Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees or terms for services pertaining to this engagement that were provided during the application period? If so, please explain.

Answer: Yes. The Debtors enjoy discounted rates as well volume discounts as described in the Retention Application and disclosed on the Court docket at ECF Nos. 2342 and 4628.

Question: If the fees sought in this fee application as compared to the fees budgeted for the time period covered by this fee application are higher by 10% or more, did you discuss the reasons for the variation with the client?

Answer: The fees sought by Dechert in the eighth interim fee application for the Compensation Period are not more than 10% higher than the fees budgeted pursuant to the budget provided by Dechert to the Debtors. In fact, the total amount in fees sought by Dechert for the Compensation Period is \$369,139.40 to \$479,764.40 less than the amount originally budgeted by Debtors.

Question: Have any of the professionals included in this fee application varied their hourly rate based on the geographic location of the bankruptcy case?

Answer: No.

Question: Does the fee application include time or fees related to reviewing or revising time records or preparing, reviewing, or revising invoices? (This is limited

to work involved in preparing and editing billing records that would not be compensable outside of bankruptcy and does not include reasonable fees for preparing a fee application.). If so, please quantify by hours and fees.

Answer: Yes. This application includes 115.5 hours with a discounted value of \$67,349.70 incurred in connection with the preparation of Fee Applications and fee statements for the Debtors.

Question: Does this fee application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify by hours and fees.

Answer: No. Dechert's review of its time records is done to ensure compliance with the Guidelines although in the process of such review, attention is given to confidential information.

Question: If the fee application includes any rate increases since retention:

Did your client review and approve those rate increases in advance?

Answer: Yes. This application includes rate increases for the Litigation Services as described in the Notice of Increased Litigation Fees (ECF No. 4628) and for Patent Services as described in the Notices of Increased Patent Fees (ECF No. 2342).

Did your client agree when retaining the law firm to accept all future rate increases? If not, did you inform your client that they need not agree to modified rates or terms in order to have you continue the representation, consistent with ABA Formal Ethics Opinion 11-458?

Answer: No. The client did not agree to accept future rate increases.

NOTICE

62. Notice of this Application will be provided to: (a) the entities on the Master Service List (as defined in the Case Management Order and available on the Debtors' case website at <https://restructuring.primeclerk.com/purduepharma>) and (b) any party that has requested notice pursuant to Bankruptcy Rule 2002 (collectively, the "**Notice Parties**").

CONCLUSION

WHEREFORE, Dechert respectfully requests that the Court enter an order (i) that allowance be made to it in the sum of \$975,235.60 as the fair and reasonable value of its actual and necessary professional services rendered by Dechert to the Debtors during the Compensation Period; (ii) that allowance be made to it in the sum of \$2,279.04 as reimbursement for Dechert's actual and necessary expenses incurred during the Compensation Period; (iii) authorizing and directing the Debtors to pay to Dechert the unpaid balance of all approved fees and expenses; (iv) holding that the allowance of such interim compensation for professional services rendered and reimbursement of actual necessary expenses incurred be without prejudice to Dechert's right to seek additional compensation for services performed and expenses incurred during the Compensation Period which were not processed at the time of this Application; and (v) granting Dechert such other and further relief as it deems just and proper.
